TO-DAY'S ENTRIES.

To-day's card contains several erst-while cracks. The first race has Mead-ows, who has several records to his math, and comes out in the Enquirer

is what a great many men and commen are looking for; belp against appreaching baldness; help against whitening locks; belp to restore the lost gloss to the hair; help against fading tresses; help for the scalp attacked by dandurff. AVER'S HAIR VIGOR offers just such belp. It restores gray or faded hair to its original color, gives it length, thickness and gloss, and removes dandurff.

"My hairwas rough and broken and began to fall out. The use of but one bottle of ATRE HAIR VIGOR both checked the falling out and rendered my hair smooth, glossy and in splendid condition. It is the finest of dress-ings."—Mas. F. L. SMITH, Silver Creek, Miss.
